Graham Expeditionary Middle School

Dear GEMS Supporter,

As you know, The Graham Expeditionary Middle School is a public middle school that is available to all students at no cost to the family. The school has high costs each year supplying items such as paper, printer ink and copying that allows our students to have significant class experiences during their careers at GEMS. To help alleviate these costs, we are inviting our families to make a voluntary, tax-deductible contribution of \$30 to help offset the costs of these supplies. We would appreciate your signature below to show that you have made a donation to the school. The bottom portion can be removed to serve as your tax donation receipt.

Thank you for your support of our school.
